

## John Ed Day Died After Short Illness Early Wed. Morning

JOHN ED DAY

Once again in so short a time, Hamlin people have been shocked by the sudden death of a young Hamlin business man. John Ed Day was up and apparently as well as at any time in his life all day Tuesday. He became ill about 2:00 A. M. Wednesday and about 4:00 o'clock he became worse. A doctor was called, but death came before he could arrive.

John Ed Day came with his father, the late John T. Day from Rotan to Hamlin in the early days of 1914, buying a hardware store in Hamlin. He and his father continued the business together till the senior Day's death a few years ago. He then continued in the growing hardware business without a change of name, to his death. The only time he was away from Hamlin was in World War I, when he served in Aviation on Long Island. As was quoted in a previous Hamlin Herald, John Ed said, "I fought the battle of Long Island," going no farther and was discharged after 15 months duty.

John Ed Day was born at De Leon, Texas, November 13, 1894, which made his age 50 years, 11 months and eight days at death. He was married to Mrs. Winnie Gray in 1933. Survivors are his wife, and two sisters, Mrs. Garland Tumlin of Dallas and Mrs. Maurice Smith of South Carolina.

Funeral services were held at the Hamlin First Baptist Church, Thursday afternoon at 2:00 o'clock with a former pastor, the Rev. J. Henry Littleton of Anson and Rev. E. L. Yeats officiating. The Barrow Funeral Home had charge of the body which was placed to rest in East Cemetery.

Hamlin people will remember John Ed Day as a typical son of a famous father, the late John T. Day, who served in the hardware business almost sixty years. He was conservative, a friend-maker and business-like in all his dealings. He was once a member of the City Council, formerly a Rotarian, and a successful farmland operator. He liked to travel but was always happy to get back home. His last long trip was to various points in Old Mexico. His most recent business venture was as co-purchaser with John Oates of the Inzer Pharmacy. He will long be remembered by his host of Hamlin friends.

## J. B. Eakin Resigns As City Secretary

A new face is now to be seen in the City Hall. It is Mrs. Clinton Barrow who takes the place of J. B. Eakin whose resignation took effect as of November 1. Mr. Eakin had held the position since 1922, and he has been constantly on the job. He will take a rest to enable his eyes to regain their strength and will enjoy a vacation.

Mrs. Barrow has had extensive experience in clerical duties. She has been with the F. & M. National Bank in Hamlin and with a bank in Corona, Calif., while her husband was serving in the Navy. Prior to that she was secretary for the L. H. McBride Cotton & Grain Co. Mrs. Barrow will greet you with a smile and will take your complaints graciously, as well as your money for the various City charges.

Miss Mary Nixon who for the past five or six years has served as assistant secretary and clerk has also resigned her position, effective November 1.

## Rites For Mrs. D. J. Turner Held Sunday

After a two weeks' illness, Mrs. D. J. Turner died in the Stamford Hospital on Friday of last week, October 26.

Mrs. Turner was born in Birmingham, Ala., Dec. 28, 1885. She was married to D. J. Turner in Comanche County March 8, 1903, and moved to Jones County to reside in Anson. The past 14 months she and her husband had made Hamlin their home. Mrs. Turner was a member of the Sagerton Baptist Church.

Survivors are her husband and five daughters, Mrs. Joe B. Harris, Irving, Texas; Mrs. Alton Mayfield, Hamlin; Mrs. Haskell Moore, Corpus Christi; Mrs. Walter Caldwell, Hamlin; and Mrs. Clyde Carroll, Colorado City, Texas; and five sons, Clee Turner, Abilene; Clyde Turner, Irving; Otho Turner, California; Cpl. D. J. Turner, Jr., somewhere in Italy; and Carroll Turner, Hamlin. The surviving sisters and brothers are Mrs. Isabelle Bradley, Birmingham, Ala.; Mrs. W. E. Wardsworth, Forsan, Texas; and Mrs. E. L. Lock, Dallas; Noah Hatley, Vernon; Willis Hatley, Abilene; and John Hatley, Beaumont. There are 24 grandchildren and four great grandchildren.

Funeral services were held at the Hamlin First Baptist Church, Sunday afternoon at 2:00 o'clock with the Rev. Fielder of Anson in charge. Burial was in the Prairie View Cemetery under the direction of the Seth Lawrence Funeral Home of Anson.

# Forward With Hamlin

THE AGE OF HAMLIN is measured by the age of the Hamlin Herald. Notice in the date-line of the Herald this week. You see that The Herald is starting on its 41st year.

Does it seem that long since this townsite was just a cow ranch, filed with mesquite and jack rabbits? Just a few are living here now who saw Hamlin's streets being grubbed of mesquite, who saw the boom town as it started off in the old days when the "Orient" and the Katy and the Abilene & Southern railroads were heading for the young town of Hamlin.

It is appropriate for one enterprise of every town (the newspaper) to speak of its birthday, and so it is. Last week we finished another 52 weeks of Hamlin history completing its 40th year, and one copy of each week's issue, as in every year, has been carefully preserved to be bound for future investigations. FORTY years of local history-recording is not a short time. Thirty-one years and six months of that "40" have been under our ownership and management. That's a long time, too.

It is quite easy to look back to the spring of 1914, that year when wonderful rains fell and the virgin soil was being converted from pasture lands to productive farms. It was a good crop that year. Wheat made 30 bushels—and cotton! We had so much cotton in this country that the colored pickers were invited to come...and they came in droves and gangs. But then that was our First War year, and cotton prices tumbled, and the good old Hamlin country found itself in the grip of war and a three years drouth.

But Hamlin had a future, one that would forge it ahead, despite hardships, lean years, booms, depressions, no water, and still Hamlin

grew...if there has been anything that held Hamlin down it was the lack of water...all of us can look back over many things to regret, as well as be proud of—most of all, we can be thankful we are now blessed with plenty of good water.

As The Herald enters its 41st year, Hamlin has the brightest outlook in its history. We feel "grown up" now, with our two rail outlets, five highways leading into Hamlin from one of the finest agricultural sections in Texas; lovely farm homes enjoying all the modern things that the city man has; a town with beautiful churches, handsome school buildings, progressive merchants, and hundreds of homes, and more and more housing is right now needed. Hamlin could add 1000 more people, if we had housing facilities. Why not be optimistic about this town in which Ye Editor has seen so many fine people come and live?

We have seen one whole generation come and go—out to "save the world" again. Let's now hope and pray that it will remain "saved," and from here on, Hamlin folks can enjoy peace and prosperity as the good Lord intended everyone to have in this blessed land.

Yes, so many step up and ask Ye Ed, "Say, Mr. Pope, what do you honestly think of the outlook for Hamlin?" "Good," we reply. We have seen too many poor fellows come to Hamlin, work hard, live right, and in a few years become independent as far as this world's goods are concerned. So why not take a new hitch? Go "Forward With Hamlin." But we can never be satisfied without having many other modern conveniences and accommodations, such as a community-owned hospital. Of all things we do need, it is a place to carry our sick ones in time of need. As it is, few are born in Hamlin, and seldom does anyone die here. It is our fault.

## Frank Buttram Well No. 1 Ralph R. Carroll Hits Pay at 2872

Ralph R. Carroll reports that the Frank Buttram Oil Well No. 1, on his farm near Boyd Chapel, 10 miles south of Hamlin, has struck oil at 2872. Pipe has been set at 2869 feet, and Wednesday the oil stood at 800 feet. A test run should be made by Sunday.

It looks as if a new pool is being developed.

## Funeral Services Held On Thursday

Funeral services were held on Thursday afternoon, Nov. 1, at 4:00 o'clock at the Church of Christ for Mrs. Terry Lokey, a sister of Mrs. J. W. Bevels. Minister Mardell Lynch and Rev. E. L. Yeats were in charge. A sketch of Mrs. Lokey's life will be given in next week's Herald.

## MT. ZION CHURCH SERVICES TO HONOR SERVICE MEN

The public is invited to hear Rev. H. C. Cagle of Buffalo Gap, a former pastor, who will be principal speaker in a home-coming program honoring the returned service men of our community. None of the boys from the Mt. Zion community has been on the casualty list, a fact worthy of note for which we of the community are humbly thankful.

Cliff Reynolds returned home on Thursday of last week from Abilene where he underwent major surgery. He is able to be up some now and has been down at his place of business, Reynolds Drug.

Mrs. S. A. Teague and children, Betty June and Sunny Marie, of Odessa came Wednesday to visit her parents, Mr. and Mrs. J. H. Foster.

## Junior Class Choice Crowned Queen of Hamlin High School

Climaxing the annual Junior Hal-lowe'en Carnival held Saturday evening, Oct. 27, at the High School building, Elma Ree Brewer of the Junior Class was crowned Queen of H.H.S. by Bobby Crowley, Junior president. She was also presented with an arm bouquet of lovely white mums. She was escorted by Norris Blanton, and her attendants were Phyllis Richardson and Betty Lu Ferguson.

The setting for the coronation ceremony was a spring garden scene with trellis and archway entwined with English ivy as the center interest. A miniature fence bordering the front of the stage and decorated with roses completed the setting.

Other class favorites were Senior Queen Dorothy Gene Huling and her escort, James Brown, and Princesses Bebe Doris Shelton and Elizabeth Butcher; Sophomore Queen Jackie Lee Jones, escorted by G. C. Black, and Princesses Jerita Durham and Mozelle Barnett; and Freshman Queen Frances Martin, escorted by Donald Young, and Princesses Lanelle Coltharp and Joan Johnson.

Little Doris Marie Taylor was scepter bearer and Roy Callan Houghton was crown bearer. Mrs. Maxine B. Worley played for the processional and recessional.

Preceding the coronation, a successful carnival was held in the High School building. Booths and carnival features were sponsored by the Senior, Junior, Sophomore, and Freshman classes, and by the F.F.A., F.H.T., and the Pep Squad.

## Hamlin Stores Will Close November 12

November 12 was designated as a holiday in Hamlin in the October meeting of the Chamber of Commerce Directors. All stores and business concerns will be expected to close in observance of Armistice Day.

## Jones County Cotton Lags Behind 1944 Crop

The latest authorized government report of the number of bales of cotton ginned in Jones County prior to October 18, 1945, shows that to that date, 9,972 bales had been ginned. This is short of the 11,240 bales same date one year ago.

This year it has been unusually hard to guess how many bales this county would make. The continued dry weather in August and early September cut down growth very fast. Also the acreage this year is below that of 1944. Most early fields, however, are turning out fine yields. The two weeks of rain set picking back considerably, as well as the opening. But now that the sun is shining, the cotton business is picking up in the old fashioned style. Fields on every side are filled with pickers, by the dozens, and bales are rolling into the 27 operating gins of the county in mass production. The bulk of the crop will be out before November 15.

## Pipers Looked Good In Seymour Game

The Hamlin Pied Pipers made their best showing of the season last Friday night on the home field in an excitement-packed game with the Seymour Panthers. The visitors finally edged the Hamlin team out 13-6 but not until they had fought hard through four periods of play.

The Panthers scored in the first period on a 20-yard sprint by Hatter, who then passed to Perkins, left end, for extra point.

In the third quarter, Brad Rowland chalked up the Hamlin touchdown on a 65-yard run. Try for extra point failed.

Late in the fourth period, Hatter again went over for another Panther score.

First downs favored Seymour 8 to 5.

The Pipers met the Munday Mogs in the last game of the season to be played on Piper Field, on Thursday night, Nov. 1. The game was moved up one night in order that fans might witness some of the decisive games in the district and neighboring districts to be played tonight.

J. B. Simmons of South Texas is here visiting his son, Jimmy Simmons, and wife.

## DRAMATICS FOR SERVICEMEN

Dramatics as a phase of reconditioning convalescent servicemen is an ideal shortcut to recovery, a University of Texas stage designer reports. W. Oren Parker, stage designer, has recently returned from Camp Upton, Mass., where he served as consultant in the joint Army-Navy reconditioning program for disabled servicemen. He reports that the dramatic activities were very effective for men with organic injuries and battle fatigue.

Mrs. E. M. Wilson and daughter, Mrs. John D. Ferguson and husband and little son, John Jr., went to Breckenridge Sunday to visit with Mrs. Wilson's sister, Mrs. Ross Walker, and to be with her nephew, Lt. Ross Walker, who recently returned from Europe. Ross is a former Hamlin boy, having formerly lived on the T-Diamond Ranch, back in the days when he was a baby. He has been in the Armed services since Oct. 1941 and in Europe since 1943.

Mr. and Mrs. A. J. Scott and children, Jeanette, Donald, and Francis, of Wichita Falls, spent Sunday with Mr. and Mrs. Gene Scott and son, Melvin. Other Sunday visitors were Mr. and Mrs. D. B. Scott and Mr. and Mrs. Buck Scott and son, Terry.

## This Week, October 28

A fellow the other day asked us: "Who is it that reads a column of print to the very bottom?" or "Who is smart enough to shape up a column of print to make the reader go down the line to a finish?" Bud, there are plenty of writers who can do that. Even a Country Editor can—mainly because YOU keep on reading to see what on earth he is going to say next...

—Well, it is time for the "Coon-huntin' fellows" down Texas-way to let the world know where they stand on the question of "Universal Peacetime Military Training" for our young boys. How we feel about it is just how we feel and that's that... can't help it, big guy, regardless of how smart and supposedly "far-seeing" you are...more than once the United States has whipped the sox off the country that tried to pull something on us, and who says we haven't got some fightin' men right now—who until a few months ago never heard a military command in their lives...we hate to oppose a great man, a president of the United States, but Mr. Truman, or Mr. Anybody, party or what party, you stick your neck out too far if you think Americans will back you up in a forced peacetime military training program...why advocate a war-like program and still play like you have faith in the Atlantic Charter, the Four Freedoms, the United Nations Charter? It is like talking "goody" out of one corner of your mouth while holding a gun ready to shoot with the hand... General Marshall is talking through his hat, too...why have a strong force in the Canal Zone or any other place to ward off an enemy? What enemy? Who in this day and time can get ready for war and his neighbor not know what is planned? Americans depend on the "Intelligence Department" to know who is knocking at our doors, and it is up to our leaders to speak out loud.

Compulsory peacetime military training has never saved a country in all history...see if it has. Every nation ever having it has gone down. Compulsory military training is filled with "uns"—un-American un-English, un-Christian, and un-bearable to a boy reared in a free home, where he is equal to each and every one else. America has hundreds of thousands of people who came here to escape the hated forced-military duty...Gen. Marshall's arguments are too flimsy for a man of his supposed brains...if we want another war in about 25 years, now is the time to lay the foundation...we are not the only smart people... we may have some secrets, but the others have, too...if we mean to continue warring, let's tell the world frankly, "Come on, by-gosh, we can whip all comers."...Then what? We have heard about a few other guys who talked that way...Folks, let's try the human plan, the peace plan, the live-and-let-live plan... we can be just as smart and do those things...maybe you would prefer the "other man's son" to do the training, while yours gets behind some soft place of "boss-ism" or luxury corner...let's speak out and stop such an un-American idea.

## Methodist News Notes

Next Sunday is the closing Sunday for this church year. The pastor will preach both morning and evening. The year has been marked by a definite increase in Sunday School attendance and many forward moves in church life. The congregation is working to make this closing Sunday a high day in the church year.

On the following Sunday, November 11, Rev. H. W. Hanks, a former pastor here will preach at the 11:00 o'clock hour. His many friends will accept this opportunity to hear him again.

The Annual Conference will be held at Abilene, beginning November 7 and closing some time Sunday, the 11th. At this conference, the appointments will be made for the pastors and churches for the coming year.

## About Sold'ers--Sailors

Pfc. Loyd Andress arrived in Hamlin last Friday from Camp Beale, Calif., where he received that "beautiful button bearing the Victorious Eagle." Loyd lacked only four days doing four years and five months Army duty. He served 25 months overseas in the Aleutian Islands. He was in the Coast Artillery there and in Field Artillery in the States. His parents are Mr. and Mrs. Albert Andress of Brownfield, formerly of Hamlin. Loyd says he wants a little time to "make up" his mind before taking a job. No, he is not married, but we can guess he has a girl friend "somewhere."

S&amp;S

You can drop the "sergeant" for Vernon Keith now and say just plain old Vernon or Mr. Keith or anything but Sergeant. He is at home from Camp Robinson, Ark., with his discharge. Vernon's parents reside at Lubbock, but his sister, Mrs. C. L. Garrett, lives near Hamlin. Vernon had been in the Army four years, lacking a few days. He spent two years in Alaska, and had 73 points. He will likely... well, settle down on a farm in Jones County.

S&amp;S

Pfc. Clifford Reynolds, Jr. left Thursday to return to his station at West Palm Beach, Fla., with the AAF after spending several days here with his father, Cliff Reynolds, who underwent major surgery recently.

S&amp;S

Pfc. Oran Huff arrived in Hamlin Thursday of last week with his discharge after serving two years in Europe with the 187th Field Artillery of the First Army. He served in England, France, Luxembourg, Belgium, Germany, and Czechoslovakia. He has the Good Conduct Medal, ETO ribbon and five battle stars and arrowhead; and Oran reminded us, "And the discharge button—don't forget that." He and his wife, the former Irene Alls, left on Monday for Borger to visit his mother, Mrs. M. M. Huff.

S&amp;S

T/Sgt. Owen Mason, a grandson of S. F. Mason of McCaulley and a great nephew of Mrs. W. J. McGee of Hamlin, arrived in McCaulley last Sunday with his discharge from the Army. He is quite glad to be called "Mr." after over three and a half years of Army life. Mason was in the Pacific area 39 months. He can tell much first-hand information about the islands from the Solomons up to Luzon. He has four battle stars and the Combat Infantry Badge, and a total of 89 points. His brother, Lt. M. T. Mason, Jr., a pilot, has been missing in Europe since April 1944.

Cpl. Glenn Winslett who spent 14 months in Italy is now enjoying a rest at the home of his parents, Mr. and Mrs. Floyd Winslett. Cpl. Winslett arrived at LaGuardia Field on Sept. 23 and was sent from there to Fort Totten, N. Y.; then to Love Field, Dallas, and on to Amarillo Army Air Field where he received his discharge, Wednesday, Oct. 24. He served with the 484th Bomb Group, 826 Bomb Squadron. He was a member of the ground crew of the AAF until V-E Day when he became a crew member on a C-54.

S&amp;S

This week we got a glimpse of an old Marine Corporal, William Shira, who is back from the "unloved Pacific." Didn't get much on this big, ex-Marine, but later we hope to make a sketch of what he's been doing "down under."

S&amp;S

Pfc. Jack Phillips is returning to Ft. Sam Houston at San Antonio Friday after a 45-day furlough here. Private Phillips had served in England, France and Germany for two years.

S&amp;S

Pfc. Carl F. Bailey, son of Mr. and Mrs. Louis Bailey, arrived home Friday from Camp Butner, N. C., where he received his discharge. He served in Europe with Co. E, 22nd Infantry, 2nd Battalion of the famous Fourth Division. Private Bailey was awarded the Combat Infantryman's Badge and has two battle stars on the ETO ribbon.

S&amp;S

Lt. and Mrs. Ray Willingham arrived in Hamlin last Sunday from California. Ray is "Mr." Willingham now, having received his discharge from the Naval Air Corps. Their little daughter, Geraldine, will arrive by plane accompanied by her "other" grandmother, Mrs. Edward Williams of California, about next Thursday. They will remain in Hamlin for a visit with his mother, Mrs. Ray Willingham.

S&amp;S

T/Sgt. James W. Beene of Hamlin received his discharge at McClelland Field, Calif., after five years of service with the Army Air Forces. His last duty station was Hammer Field, Calif., where he was assigned as an X-ray technician. He is the husband of Mrs. Edna Jane Beene, and the son of Mr. and Mrs. William B. Beene.

S&amp;S

Sgt. Roy E. Brandon has finally dropped the "sergeant" and is now "Mr." He was discharged Oct. 17, after three years and eight months in the Army Air Corps. His overseas service included 26 months in North Africa and France.

Host Mexican Dinner

On Thursday evening, October 23, Dr. and Mrs. J. W. McCrary entertained a few friends with a six o'clock dinner. The tables were laid with hand-woven Mexican cloths made in Reynosa, Mexico. Centerpieces were fruit in Mexican pottery bowls. Yellow candles in crystal holders carried out the color scheme. A three-course Mexican dinner

was served, consisting of tomato cocktail, enchiladas, frijoles, Spanish rice, stuffed pepper salad, ice cream, and coffee.

Sue McCrary and Jo Nell McCleary, dressed in Mexican costumes, served the dinner.

Guests were Mr. and Mrs. W. C. Russell, Mr. and Mrs. Holly Toler, Mr. and Mrs. Gordon Bennett, Mr. and Mrs. Herman McBride, Miss Eleanor Temple, and the host and hostess. After dinner, the guests gathered

in the living rooms where music and pleasant conversation filled the evening.

Wedding Ceremony  
Read In Hamlin

Miss Shirley Smith, daughter of Mr. and Mrs. Ben Smith of Hamlin, and Private Jackson Riley were married Thursday afternoon at five o'clock in the home of Rev. Oma Jones, pastor of the Four Square Church of Hamlin, with Rev. Jones reading the ceremony.

The bride wore a navy blue dress with black accessories.

On Friday at noon, the couple

were honored with a lovely dinner at the home of the bride's parents.

The bridegroom is the son of Mr. and Mrs. C. P. Riley of Vernon. His father is a veteran of World War I and is taking treatment in a Veterans' Hospital at Waco.

Pvt. Riley left Monday for Camp Butner, North Carolina, and Mrs. Riley remained here with her parents.

### The Second Coming of Christ

The second coming of Christ is a matter of the most vital concern to every faithful disciple. We are taught to expect it joyfully (Titus 2:13), patiently wait for it (I Cor. 1:7), and prepare ourselves for its approach (I Tim. 6:14).

Then it is that the faithful are to receive a fadeless crown (I Pet. 5:4), appear with him in glory (Col. 3:40), and be like him, "For we shall see him as he is." (I John 3:2).

In a matter of such vital import to every Christian it is greatly to be regretted that our Lord's coming has been made the occasion of much false teaching; but this is a fact, and it is our purpose in this brief article to set forth the truth regarding this great event. The Scriptures are to be our sole authority, and to them we appeal in proof of the following propositions:

1. The fact of His coming: "When Christ, who is our life, shall appear, then shall ye also appear with him in glory." (Col. 3:4). "So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation." (Heb. 9:28) Of the fact of our Lord's coming there is no doubt.

2. The purpose of His coming is likewise clearly set forth therein: "For the Son of man shall come in the glory of his Father with his angels; and then he shall reward every man according to his works." (Matt. 16:27) "I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom." (II Tim. 4:1) But—

3. The time of this great event is hidden in the inscrutable counsel of his own will: "For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be." (Matt. 24:27) "For yourselves know perfectly that the day of the Lord so cometh as a thief in the night." (I Thes. 5:2) "But of that hour and day knoweth no man; no, not the angels of heaven, but my Father only." (Matt. 24:36) These words said Jesus himself. While we may know the fact of his coming and the purpose thereof, the time of this momentous event is hidden in the wisdom of the Father. Let us, then, beware of all who would attempt to fix a date for our Lord's return.

Our Lord is coming back to set up His kingdom, for—

1. The kingdom was in existence during the apostolic age, nineteen hundred years ago. (a) The apostle John was in it (Rev. 1:9); (b) The Hebrews were receiving it (Heb. 12:28); and (c) the Colossians were transplanted into it (Col. 1:13-14).

2. The kingdom was "at hand" in the days of John the Baptist (Matt. 3:2). Jesus announced its near approach (Matt. 10:7), and it was to come in the lifetime of some then living. (Mark 9:1) To assert, therefore, that the kingdom has not yet come is to make both John the Baptist and our Lord false prophets, as well as obligate one's self to find people yet living who were alive while our Savior was on the earth!

3. The Lord will relinquish his reign on his return: "But every man in his own order: Christ the first fruits; afterward they that are Christ's at his coming. Then cometh the end, when he shall have put down all rule and all authority and power." (I Cor. 15:23-24) Observe: (a) the coming of Christ; (b) the end, when he delivers the kingdom to God. But note the pre-millennial order: They teach (a) the coming of Christ; (b) the establishment of his kingdom over which he reigns for a thousand years; (c) then the end. This passage teaches that when the Lord returns he will cease reigning. False teachers are today declaring that only then will he begin his reign! "Let God be true, but every man a liar." (Rom. 3:4)

The order, then, is as follows: (1) the Lord comes on the clouds; (2) the dead are raised both righteous and wicked (John 5:28-29); they stand in judgement (Matt. 25:31-46), the Lord relinquishes his reign to the Father (I Cor. 15:23-24) and the righteous enter heaven's happy home, while the wicked are consigned to their eternal doom.

Let the reader be on guard against all false theories and prepare himself by obedience to the gospel faith (Heb. 11:6), repent of his sins (Luke 13:3; Acts 17:30), confess his faith in the Christ (Matt. 10:30-31) Romans 10:9-10), be baptized into Christ (Rom. 6:3,4), add the Christian graces (II Pet. 1:5-11) and be faithful until death (Rev. 2:10) in order that he may be unafraid when the glad day shall dawn!

## Methodist Pecans

Tuesday morning the Editor's wife came back into the machinery department of the Herald holding out "three" nice looking pecans. She said, "Here are three samples of Methodist pecans." We looked and wondered... why call them Methodist pecans? She replied, "Because the Methodist pastor, Rev. E. L. Yeats, grew them on his pecan ranch in Fisher County, near Roby; they're paper shell."

Brother Yeats sneaked out and did not let the old Editor razz him about the "paper" shell or why they grew so large. His pecans may be "Methodist" OK, but it took a lot of water to grow them. Mere sprinkles will not make pecans. Rev. Yeats has several hobbies and pecan raising is one of them. He is trying to get Ye Editor to cut off the limbs of his "little ole" pecan tree that is now full of real "Baptist fruit" and transplant some of his Methodist buds. We "hain't" got that much faith in budding, and, therefore, will cling onto our hard, nutty limbs that bear sweet and full-filled meat. Wouldn't it be some pecan to have a Baptist tree bearing Methodist fruit?

Anyway, Brother Emmett, you are to be congratulated on proving that folks can have pecans in Fisher County almost any year late freezes do not catch the crop. But SAY, why not be generous, like Baptist pecan growers?

## Sylvester Club Meets

The First Year girls of the Home Ec Club of the Sylvester school met Thursday, Oct. 25, for a business meeting. The president called the meeting to order, and the minutes were read and approved.

Plans were made to entertain the Third Year girls soon. The Historian reported that she had not yet found any material for the Club scrapbook.

Plans were also made for the Halloween Carnival to be held in the High School Gym Thursday evening, Nov. 1. The Freshman class will sponsor four booths which will sell foods. (Patsy Josey, Reporter.)

# POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Visiting relatives here from Lamesa last Saturday and Sunday were Mr. and Mrs. W. W. Miers and son and Howard Miers.

Sgt. J. B. Jayroe is visiting wife and mother in this community, enroute to Florida after many months in Indiana.

Pete Perryman, son of Mr. and Mrs. W. R. Perryman, is home on leave from somewhere out in the great Pacific with Uncle Sam's Fleet.

Mrs. Laura Woods, who now lives in Hamlin, visited last week in the home of Mr. and Mrs. F. L. Rector.

Mr. and Mrs. Gerald Fancher visited his grandmother, Mrs. Della Fancher, last week. The last we heard of Gerald he was with the U. S. Navy.

Mr. and Mrs. F. W. Poe of Neinda visited in the home of Mr. and Mrs. S. E. Miers last Sunday.

The cotton crop in this vicinity is turning out to be a short one. Some folks who planted early are making fair cotton. Late cotton is a "fizzle."

A few months ago we stated in this column that McCauley was in need of a cafe and a helpy-selly laundry. Well, we got the cafe and business is good. Now we are still after that laundry which would net at least \$500.00 per month. Who wants in on the ground floor?

Pvt. Leo Parker who has been stationed in a POW Camp as an M. P. was hurt a few weeks ago in a car wreck. He was stationed at Sycamore, Ill., and was transferred to a Red Cross hospital in Rockford, Ill., for treatment. He hopes to be out of the hospital by Nov. 15 and have his honorable discharge.

Mr. and Mrs. M. T. Mason of Fort Worth are visiting his mother, sister, and brother in McCauley. They are accompanied by their son, Owen, who has recently returned from overseas.

Pvt. Walter Forbes and Pvt. Leo Masser are in McCauley with 15-day leaves. Masser will go from here to Ft. Riley, Kas., for overseas duty soon.

Pvt. and Mrs. Ellis Eivens are announcing the arrival of Sara Sue Monday night at the Rotan hospital. The baby weighed seven and one-fourth pounds.

Mr. and Mrs. Ed Reynolds and children of Big Spring spent last

Sunday with her parents, Mr. and Mrs. Frank Jackson.

Thanks to Melvin Hunter for a renewal to the Herald. Melvin is a busy man now-a-days, cutting and threshing that sweet sudan. Might see the ole boy for some good seed for another year.

Mr. and Mrs. Turner Beard of Clyde visited her mother, Mrs. W. M. Keller, and the Rectors last Sunday.

Home from college over the week end were Johnnie Max Jones and Mary Ann McCollum. Mary Ann was accompanied by her roommate, but we didn't get the name.

Rufus Herbst arrived from Savannah, Mo., after ten days' treatment in a hospital there. He is doing fine.

## Darden's Dashes—

The old world seems topsy-turvy. Hungry people roam Europe, China and other war-torn countries. The Allied Nations are not getting along any too well. Russia keeps sticking her chin out; never had much confi-

dence in her leaders, even though they fought a good fight. People over there don't see things the way we do. We, the United States, had better keep a huge standing Army, Navy and Air Force, and plenty of atomic bombs, and be ready at the drop of the hat. We got caught un-prepared the last time and sacrificed many lives on account of some stupid leaders and isolationists. The United States can keep the peace, only, if we do not disband our armed forces and do not again get soft.

We have the best military set-up the world has ever known, the best guns, the best planes, the best soldiers; and we are going to have to keep ready or next time we may be on the losing end.

Look for the "Weekly Dozen." "Everett."

Billie Jean Tucker of Abilene spent Monday and Tuesday here with Mr. and Mrs. J. W. Warner.

Mrs. H. M. Hooper returned this week from Moody where she had been visiting her sister, Mrs. C. B. Hill, who recently underwent major surgery.

Call 241 and tell your news items.

## McCAULLEY STUDENT IS INDUCTED INTO ACC CLUB

One of the outstanding honors accorded to young women on the campus of Abilene Christian College is election to membership in the W Club, founded more than a quarter of a century ago by the late Mrs. Jesse P. Sewell, then wife of the president of the college. Recently attaining that honor was Miss Velma Lu Boyd, daughter of Mr. and Mrs. L. H. Boyd, of McCauley, according to a press release from the college. Miss Boyd is a 1942 graduate of McCauley High School.

Miss Boyd was inducted into the club at a formal initiation in the parlors of Zellner hall on the ACC campus, at which time the significance of the W in the name of the club was explained to stand for "Worthy Women," and the ideals of the club stressing scholarship, leadership and character were set forth to the initiates as goals worthy of all young women.

Flattery is a form of soft soap; and soft soap is mostly lye.

Mr. and Mrs. Auther Moss and daughter, Jo Ann, of Lamesa visited Mrs. M. T. Moss and Amos Barnes and family last week.

AMLIN, JONES COUNTY, TEX. FRIDAY, NOVEMBER 2, 1945

NUMBER 1

## John Ed Day Died After Short Illness Early Wed. Morning

JOHN ED DAY

Once again in so short a time, Hamlin people have been shocked by the sudden death of a young Hamlin business man. John Ed Day was up and apparently as well as at any time in his life all day Tuesday. He became ill about 2:00 A. M. Wednesday and about 4:00 o'clock he became worse. A doctor was called, but death came before he could arrive.

John Ed Day came with his father, the late John T. Day from Rotan to Hamlin in the early days of 1914, and buying a hardware store in Hamlin. He and his father continued the business together till the senior Day's death a few years ago. He then continued in the growing hardware business without a change of name, to his death. The only time he was away from Hamlin was in World War I, when he served in Aviation on Long Island. As was quoted in a previous Hamlin Herald, John Ed said, "I fought the battle of Long Island," going no farther and was discharged after 15 months duty.

John Ed Day was born at De Leon, Texas, November 13, 1894, which made his age 50 years, 11 months and eight days at death. He was married to Mrs. Winnie Gray in 1933. Survivors are his wife, and two sisters, Mrs. Garland Tumlin of Dallas and Mrs. Maurice Smith of South Carolina.

Funeral services were held at the Hamlin First Baptist Church, Thursday afternoon at 2:00 o'clock with a former pastor, the Rev. J. Henry Littleton of Anson and Rev. E. L. Yeats officiating. The Barrow Funeral Home had charge of the body which was placed to rest in East Cemetery.

Hamlin people will remember John Ed Day as a typical son of a famous father, the late John T. Day, who served in the hardware business almost sixty years. He was conservative, a friend-maker and business-like in all his dealings. He was once a member of the City Council, formerly a Rotarian, and a successful farmland operator. He liked to travel but was always happy to get back home. His last long trip was to various points in Old Mexico. His most recent business venture was as co-purchaser with John Oates of the Inzer Pharmacy. He will long be remembered by his host of Hamlin friends.

## J. B. Eakin Resigns As City Secretary

A new face is now to be seen in the City Hall. It is Mrs. Clinton Barrow who takes the place of J. B. Eakin whose resignation took effect as of November 1. Mr. Eakin had held the position since 1922, and he has been constantly on the job. He will take a rest to enable his eyes to regain their strength and will enjoy a vacation.

Mrs. Barrow has had extensive experience in clerical duties. She has been with the F. & M. National Bank in Hamlin and with a bank in Corona, Calif., while her husband was serving in the Navy. Prior to that she was secretary for the L. H. McBride Cotton & Grain Co. Mrs. Barrow will greet you with a smile and will take your complaints graciously, as well as your money for the various City charges.

Miss Mary Nixon who for the past five or six years has served as assistant secretary and clerk has also resigned her position, effective November 1.

## Rites For Mrs. D. J. Turner Held Sunday

After a two weeks' illness, Mrs. D. J. Turner died in the Stamford Hospital on Friday of last week, October 26.

Mrs. Turner was born in Birmingham, Ala., Dec. 28, 1885. She was married to D. J. Turner in Comanche County March 8, 1903, and moved to Jones County to reside in Anson. The past 14 months she and her husband had made Hamlin their home. Mrs. Turner was a member of the Sagerton Baptist Church.

Survivors are her husband and five daughters, Mrs. Joe B. Harris, Irving, Texas; Mrs. Alton Mayfield, Hamlin; Mrs. Haskell Moore, Corpus Christi; Mrs. Walter Caldwell, Hamlin; and Mrs. Clyde Carroll, Colorado City, Texas; and five sons, Cleo Turner, Abilene; Clyde Turner, Irving; Otto Turner, California; Cpl. D. J. Turner, Jr., somewhere in Italy; and Carroll Turner, Hamlin. The surviving sisters and brothers are Mrs. Isabelle Bradley, Birmingham, Ala.; Mrs. W. E. Wardsworth, Fortson, Texas; and Mrs. E. L. Lock, Dallas; Noah Hatley, Vernon; Willis Hatley, Abilene; and John Hatley, Beaumont. There are 24 grandchildren and four great grandchildren.

Funeral services were held at the Hamlin First Baptist Church, Sunday afternoon at 2:00 o'clock with the Rev. Fielder of Anson in charge. Burial was in the Prairie View Cemetery under the direction of the Seth Lawrence Funeral Home of Anson.

## BLUE BIRDS TO ORGANIZE

Girls who wish to join the Blue Bird organization will register at the Elementary school Friday at noon. The first meeting will be held Friday afternoon immediately after school. The organization will be sponsored by the Parent-Teacher Association, with Mrs. Melvin Whitefield as leader.

Mr. and Mrs. Tom Carter of the Hixon community are moving this week to Borger where Tom has employment in the Philrich Synthetic Rubber plant. Mrs. Carter is a daughter of Mrs. M. E. Herring of Hamlin.

## Forward With Hamlin

THE AGE OF HAMLIN is measured by the age of the Hamlin Herald. Notice in the date-line of the Herald this week. You see that The Herald is starting on its 41st year.

Does it seem that long since this townsite was just a cow ranch, filed with mesquite and jack rabbits? Just a few are living here now who saw Hamlin's streets being grubbed of mesquite, who saw the boom town as it started off in the old days when the "Orient" and the Katy and the Abilene & Southern railroads were heading for the young town of Hamlin.

It is appropriate for one enterprise of every town (the newspaper) to speak of its birthday, and so it is. Last week we finished another 52 weeks of Hamlin history completing its 40th year, and one copy of each week's issue, as in every year, has been carefully preserved to be bound for future investigations. FORTY years of local history-recording is not a short time. Thirty-one years and six months of that "40" have been under our ownership and management. That's a long time, too.

It is quite easy to look back to the spring of 1914, that year when wonderful rains fell and the virgin soil was being converted from pasture lands to productive farms. It was a good crop that year. Wheat made 30 bushels—and cotton! We had so much cotton in this country that the colored pickers were invited to come...and they came in droves and gangs. But then that was our First War year, and cotton prices tumbled, and the good old Hamlin country found itself in the grip of war and a three years drought.

But Hamlin had a future, one that would forge it ahead, despite hardships, lean years, booms, depressions, no water, and still Hamlin

grew...if there has been anything that held Hamlin down it was the lack of water...all of us can look back over many things to regret, as well as be proud of—most of all, we can be thankful we are now blessed with plenty of good water.

As The Herald enters its 41st year, Hamlin has the brightest outlook in its history. We feel "grown up" now, with our two rail outlets, five highways leading into Hamlin from one of the finest agricultural sections in Texas; lovely farm homes enjoying all the modern things that the city man has; a town with beautiful churches, handsome school buildings, progressive merchants, and hundreds of homes, and more and more housing is right now needed. Hamlin could add 1000 more people, if we had housing facilities. Why not be optimistic about this town in which Ye Editor has seen so many fine people come and live?

We have seen one whole generation come and go—out to "save the world" again. Let's now hope and pray that it will remain "saved," and from here on, Hamlin folks can enjoy peace and prosperity as the good Lord intended everyone to have in this blessed land.

Yes, so many step up and ask Ye Ed, "Say, Mr. Pope, what do you honestly think of the outlook for Hamlin?" "Good," we reply. We have seen too many poor fellows come to Hamlin, work hard, live right, and in a few years become independent as far as this world's goods are concerned. So why not take a new hitch? Go "Forward With Hamlin." But we can never be satisfied without having many other modern conveniences and accommodations, such as a community-owned hospital. Of all things we do need, it is a place to carry our sick ones in time of need. As it is, few are born in Hamlin, and seldom does anyone die here. It is our fault.

## Frank Buttram Well No. 1 Ralph R. Carroll Hits Pay at 2872

Ralph R. Carroll reports that the Frank Buttram Oil Well No. 1, on his farm near Boyd Chapel, 10 miles south of Hamlin, has struck oil at 2872. Pipe has been set at 2869 feet, and Wednesday the oil stood at 800 feet. A test run should be made by Sunday.

It looks as if a new pool is being developed.

## Funeral Services Held On Thursday

Funeral services were held on Thursday afternoon, Nov. 1, at 4:00 o'clock at the Church of Christ for Mrs. Terry Lokey, a sister of Mrs. J. W. Bevels. Minister Mardell Lynch and Rev. E. L. Yeats were in charge. A sketch of Mrs. Lokey's life will be given in next week's Herald.

## MT. ZION CHURCH SERVICES TO HONOR SERVICE MEN

The public is invited to hear Rev. H. C. Cagle of Buffalo Gap, a former pastor, who will be principal speaker in a home-coming program honoring the returned service men of our community.

None of the boys from the Mt. Zion community has been on the casualty list, a fact worthy of note for which we of the community are humbly thankful.

Cliff Reynolds returned home on Thursday of last week from Abilene where he underwent major surgery. He is able to be up some now and has been down at his place of business, Reynolds Drug.

Mrs. S. A. Teague and children, Betty June and Sunny Marie, of Odessa came Wednesday to visit her parents, Mr. and Mrs. J. H. Foster.

## Junior Class Choice Crowned Queen of Hamlin High School

Climaxing the annual Junior Hal-low'en Carnival held Saturday evening, Oct. 27, at the High School building, Elma Ree Brewer of the Junior Class was crowned Queen of H.H.S. by Bobby Crowley, Junior president. She was also presented with an arm bouquet of lovely white mums. She was escorted by Norris Blanton, and her attendants were Phyllis Richardson and Betty Lu Ferguson.

The setting for the coronation ceremony was a spring garden scene with trellis and archway entwined with English ivy as the center interest. A miniature fence bordering the front of the stage and decorated with roses completed the setting.

Other class favorites were Senior Queen Dorothy Gene Huling and her escort, James Brown, and Princesses Bebe Doris Shelton and Elizabeth Butcher; Sophomore Queen Jackie Lee Jones, escorted by G. C. Black, and Princesses Jerita Durham and Mozelle Barnett; and Freshman Queen Frances Martin, escorted by Donald Young, and Princesses Lanel Coltharp and Joan Johnson.

Little Doris Marie Taylor was scepter bearer and Roy Callan Houghton was crown bearer. Mrs. Maxine B. Worley played for the professional and recessional.

Preceding the coronation, a successful carnival was held in the High School building. Booths and carnival features were sponsored by the Senior, Junior, Sophomore, and Freshman classes, and by the F.F.A., F.H.T., and the Pep Squad.

## Hamlin Stores Will Close November 12

November 12 was designated as a holiday in Hamlin in the October meeting of the Chamber of Commerce Directors. All stores and business concerns will be expected to close in observance of Armistice Day.

## Jones County Cotton Lags Behind 1944 Crop

The latest authorized government report of the number of bales of cotton ginned in Jones County prior to October 18, 1945, shows that to that date, 9,972 bales had been ginned. This is short of the 11,240 bales same date one year ago.

This year it has been unusually hard to guess how many bales this county would make. The continued dry weather in August and early September cut down growth very fast. Also the acreage this year is below that of 1944. Most early fields, however, are turning out fine yields. The two weeks of rain set picking back considerably, as well as the opening. But now that the sun is shining, the cotton business is picking up in the old fashioned style. Fields on every side are filled with pickers, by the dozens, and bales are rolling into the 27 operating gins of the county in mass production. The bulk of the crop will be out before November 15.

## Pipers Looked Good In Seymour Game

The Hamlin Pied Pipers made their best showing of the season last Friday night on the home field in an excitement-packed game with the Seymour Panthers. The visitors finally edged the Hamlin team out 13-6 but not until they had fought hard through four periods of play.

The Panthers scored in the first period on a 20-yard sprint by Hatter, who then passed to Perkins, left end, for extra point.

In the third quarter, Brad Rowland chalked up the Hamlin touchdown on a 65-yard run. Try for extra point failed.

Late in the fourth period, Hatter again went over for another Panther score.

First downs favored Seymour 8 to 5.

The Pipers met the Munday Moguls in the last game of the season to be played on Piper Field, on Thursday night, Nov. 1. The game was moved up one night in order that fans might witness some of the decisive games in the district and neighboring districts to be played tonight.

J. B. Simmons of South Texas is here visiting his son, Jimmy Simmons, and wife.

## DRAMATICS FOR SERVICEMEN

Dramatics as a phase of reconditioning convalescent servicemen is an ideal shortcut to recovery, a University of Texas stage designer reports. W. Oren Parker, stage designer, has recently returned from Camp Upton, Mass., where he served as consultant in the joint Army-Navy reconditioning program for disabled servicemen. He reports that the dramatic activities were very effective for men with organic injuries and battle fatigue.

Mrs. E. M. Wilson and daughter, Mrs. John D. Ferguson and husband and little son, John Jr., went to Breckenridge Sunday to visit with Mrs. Wilson's sister, Mrs. Ross Walker, and to be with her nephew, Lt. Ross Walker, who recently returned from Europe. Ross is a former Hamlin boy, having formerly lived on the T-Diamond Ranch, back in the days when he was a baby. He has been in the Armed services since Oct. 1941 and in Europe since 1943.

Mr. and Mrs. A. J. Scott and children, Jeanette, Donald, and Francis, of Wichita Falls, spent Sunday with Mr. and Mrs. Gene Scott and son, Melvin. Other Sunday visitors were Mr. and Mrs. D. B. Scott and Mr. and Mrs. Buck Scott and son, Terry.

## This Week, October 28

A fellow the other day asked us: "Who is it that reads a column of print to the very bottom?" or "Who is smart enough to shape up a column of print to make the reader go down the line to a finish?" Bud, there are plenty of writers who can do that. Even a Country Editor can—mainly because YOU keep on reading to see what on earth he is going to say next...

Well, it is time for the "Coon-huntin' fellows" down Texas-way to let the world know where they stand on the question of "Universal Peacetime Military Training" for our young boys. How we feel about it is just how we feel and that's that... can't help it, big guy, regardless of how smart and supposedly "far-seeing" you are...more than once the United States has whipped the sox off the country that tried to pull something on us, and who says we haven't got some fightin' men right now—who until a few months ago never heard a military command in their lives...we hate to oppose a great man, a president of the United States, but Mr. Truman, or Mr. Anybody, party or what party, you stick your neck out too far if you think Americans will back you up in a forced peacetime military training program...why advocate a war-like program and still play like you have faith in the Atlantic Charter, the Four Freedoms, the United Nations Charter? It is like talking "goody" out of one corner of your mouth while holding a gun ready to shoot with the hand... General Marshall is talking through his hat, too...why have a strong force in the Canal Zone or any other place to ward off an enemy? What enemy? Who in this day and time can get ready for war and his neighbor not know what is planned? Americans depend on the "Intelligence Department" to know who is knocking at our doors, and it is up to our leaders to speak out loud.

Compulsory peacetime military training has never saved a country in all history...see if it has. Every nation ever having it has gone down. Compulsory military training is filled with "uns"—un-American un-English, un-Christian, and un-bearable to a boy reared in a free home, where he is equal to each and every one else. America has hundreds of thousands of people who came here to escape the hated forced-military duty...Gen. Marshall's arguments are too flimsy for a man of his supposed brains...if we want another war in about 25 years, now is the time to lay the foundation...we are not the only smart people... we may have some secrets, but the others have, too...if we mean to continue warring, let's tell the world frankly, "Come on, by-gosh, we can whip all comers."...Then what? We have heard about a few other guys who talked that way...Folks, let's try the human plan, the peace plan, the live-and-let-live plan... we can be just as smart and do those things...maybe you would prefer the "other man's son" to do the training, while yours gets behind some soft place of "boss-ism" or luxury corner...let's speak out and stop such an un-American idea.

## Methodist News Notes

Next Sunday is the closing Sunday for this church year. The pastor will preach both morning and evening. The year has been marked by a definite increase in Sunday School attendance and many forward moves in church life. The congregation is working to make this closing Sunday a high day in the church year.

On the following Sunday, November 11, Rev. H. W. Hanks, a former pastor here will preach at the 11:00 o'clock hour. His many friends will accept this opportunity to hear him again.

The Annual Conference will be held at Abilene, beginning November 7 and closing some time Sunday, the 11th. At this conference, the appointments will be made for the pastors and churches for the coming year.

**JUST 'PHONE us to send you** Greeting Card if it is not convenient for you to come to THE BOOK SHOP. You'll just love these cards.

Mrs. H. B. Parks of Paducah, a sister of the late Mrs. R. L. Harris, is visiting in the R. L. Harris home.

## About Soldiers--Sailors

Pfc. Loyd Andress arrived in Hamlin last Friday from Camp Beale, Calif., where he received that "beautiful button bearing the Victorious Eagle." Loyd lacked only four days doing four years and five months Army duty. He served 25 months overseas in the Aleutian Islands. He was in the Coast Artillery there and in Field Artillery in the States. His parents are Mr. and Mrs. Albert Andress of Brownfield, formerly of Hamlin. Loyd says he wants a little time to "make up" his mind before taking a job. No, he is not married, but we can guess he has a girl friend "somewhere."

S&amp;S

You can drop the "sergeant" for Vernon Keith now and say just plain old Vernon or Mr. Keith or anything but Sergeant. He is at home from Camp Robinson, Ark., with his discharge. Vernon's parents reside at Lubbock, but his sister, Mrs. C. L. Garrett, lives near Hamlin. Vernon had been in the Army four years, lacking a few days. He spent two years in Alaska, and had 73 points. He will likely... well, settle down on a farm in Jones County.

S&amp;S

Pfc. Clifford Reynolds, Jr. left Thursday to return to his station at West Palm Beach, Fla., with the AAF after spending several days here with his father, Cliff Reynolds, who underwent major surgery recently.

S&amp;S

Pfc. Oran Huff arrived in Hamlin Thursday of last week with his discharge after serving two years in Europe with the 187th Field Artillery of the First Army. He served in England, France, Luxembourg, Belgium, Germany, and Czechoslovakia. He has the Good Conduct Medal, ETO ribbon and five battle stars and arrowhead; and Oran reminded us, "And the discharge button—don't forget that." He and his wife, the former Irene Alls, left on Monday for Borger to visit his mother, Mrs. M. M. Huff.

S&amp;S

T/Sgt. Owen Mason, a grandson of S. F. Mason of McCaulley and a great nephew of Mrs. W. J. McGee of Hamlin, arrived in McCaulley last Sunday with his discharge from the Army. He is quite glad to be called "Mr." after over three and a half years of Army life. Mason was in the Pacific area 39 months. He can tell much first-hand information about the islands from the Solomon up to Luzon. He has four battle stars and the Combat Infantry Badge, and a total of 89 points. His brother, Lt. M. T. Mason, Jr., a pilot, has been missing in Europe since April 1944.

Cpl. Glenn Winslett who spent 14 months in Italy is now enjoying a rest at the home of his parents, Mr. and Mrs. Floyd Winslett. Cpl. Winslett arrived at LaGuardia Field on Sept. 23 and was sent from there to Fort Totten, N. Y.; then to Love Field, Dallas, and on to Amarillo Army Air Field where he received his discharge, Wednesday, Oct. 24. He served with the 484th Bomb Group, 826 Bomb Squadron. He was a member of the ground crew of the AAF until V-E Day when he became a crew member on a C-54.

S&amp;S

This week we got a glimpse of an old Marine Corporal, William Shira, who is back from the "unloved Pacific." Didn't get much on this big, ex-Marine, but later we hope to make a sketch of what he's been doing "down under."

S&amp;S

Pfc. Jack Phillips is returning to Ft. Sam Houston at San Antonio Friday after a 45-day furlough here. Private Phillips had served in England, France and Germany for two years.

S&amp;S

Pfc. Carl F. Bailey, son of Mr. and Mrs. Louis Bailey, arrived home Friday from Camp Butner, N. C., where he received his discharge. He served in Europe with Co. E, 22nd Infantry, 2nd Battalion of the famous Fourth Division. Private Bailey was awarded the Combat Infantryman's Badge and has two battle stars on the ETO ribbon.

S&amp;S

Lt. and Mrs. Ray Willingham arrived in Hamlin last Sunday from California. Ray is "Mr." Willingham now, having received his discharge from the Naval Air Corps. Their little daughter, Geraldine, will arrive by plane accompanied by her "other" grandmother, Mrs. Edward Williams of California, about next Thursday. They will remain in Hamlin for a visit with his mother, Mrs. Ray Willingham.

S&amp;S

T/Sgt. James W. Beene of Hamlin received his discharge at McClelland Field, Calif., after five years of service with the Army Air Forces. His last duty station was Hammer Field, Calif., where he was assigned as an X-ray technician. He is the husband of Mrs. Edna Jane Beene, and the son of Mr. and Mrs. William B. Beene.

S&amp;S

Sgt. Roy E. Brandon has finally dropped the "sergeant" and is now "Mr." He was discharged Oct. 17, after three years and eight months in the Army Air Corps. His overseas service included 26 months in North Africa and France.

SAN ANTONIO, Oct. 23.—After 25 months overseas service with the Army Air Forces, 1st Lt. Aubrey L. Emerson, 28, of Hamlin, is being honorably separated from the Army of the United States at the San Antonio District installation of the AAF Personnel Distribution Command.

Prior to entering the service, he was employed by the Houston Shipbuilding Corp., Houston. While in the Army he served as a pilot on a Flying Fortress with the Eighth Air Force for 20 combat missions in the European Theater of Operations.

He is the son of Mr. and Mrs. M. L. Emerson, Route 3, Hamlin.

S&amp;S

Sgt. John E. Morrison and Mrs. Morrison were here last week for a short visit with his parents, Mr. and Mrs. J. P. Morrison, before going on to Brownwood where they will make their home and where he will resume a position with Mrs. Baird's Bread Co. which he held before enlisting in the Army. Sgt. Morrison recently received his discharge in Denver, Colo.

S&amp;S

Staff Sgt. Roland O. Malcik was discharged from the AAF on Oct. 24 at Randolph Field. He had been in service since Oct. 11, 1939, and had served as airplane mechanic at Randolph Field and South Plains Army Air Field. His wife's home is at McCaulley.

Dr. and Mrs. McCrary  
Host Mexican Dinner

On Thursday evening, October 23, Dr. and Mrs. J. W. McCrary entertained a few friends with a six o'clock dinner. The tables were laid with hand-woven Mexican cloths made in Reynosa, Mexico. Centerpieces were fruit in Mexican pottery bowls. Yellow candles in crystal holders carried out the color scheme. A three-course Mexican dinner

was served, consisting of tomato cocktail, enchiladas, frijoles, Spanish rice, stuffed pepper salad, ice cream, and coffee.

Sue McCrary and Jo Nell McCleary, dressed in Mexican costumes, served the dinner.

Guests were Mr. and Mrs. W. C. Russell, Mr. and Mrs. Holly Toler, Mr. and Mrs. Gordon Bennett, Mr. and Mrs. Herman McBride, Miss Eleanor Temple, and the host and hostess.

After dinner, the guests gathered

in the living rooms where music and pleasant conversation filled the evening.

## Alathean Class Meets

The Alathean Sunday School Class of the First Baptist Church met Tuesday evening at 7:30 in the home of Mrs. C. W. Belew for the monthly business and social meeting.

Following the business session, several interesting games were enjoyed.

Refreshments featuring a Halloween motif were served to thirteen members and the teacher: Mmes H. P. McLaughlin, D. D. Shelburne, Alton Clemmer, Virgil Steele, T. A. Havins, Walter Snead, B. W. Nie-decken, Vera Davis, Jack Grogan,

Wedding Ceremony  
Read In Hamlin

Miss Shirley Smith, daughter of Mr. and Mrs. Ben Smith of Hamlin, and Private Jackson Riley were married Thursday afternoon at five o'clock in the home of Rev. Oma Jones, pastor of the Four Square Church of Hamlin, with Rev. Jones reading the ceremony.

The bride wore a navy blue dress with black accessories.

On Friday at noon, the couple

were honored with a lovely dinner at the home of the bride's parents.

The bridegroom is the son of Mr. and Mrs. C. P. Riley of Vernon. His father is a veteran of World War I and is taking treatment in a Veterans' Hospital at Waco.

Pvt. Riley left Monday for Camp Butner, North Carolina, and Mrs. Riley remained here with her parents.

Mr. and Mrs. B. B. Phillips and sons, Benson Jr., and Rodney, and Pfc. and Mrs. Jack Phillips have returned from a trip which carried them through many interesting parts of New Mexico. The trip included the Lincoln Forest, the White Sands

and Carlsbad Caverns. They also visited Old Mexico.

Charlie Hamby of Austin, a brother of Mrs. Mary Lenard, went to California recently. While there, his son was killed in a car wreck.

## 'Think on these things'

### The Second Coming of Christ

The second coming of Christ is a matter of the most vital concern to every faithful disciple. We are taught to expect it joyfully (Titus 2:13), patiently wait for it (I Cor. 1:7), and prepare ourselves for its approach (I Tim. 6:14).

Then it is that the faithful are to receive a fadeless crown (I Pet. 5:4), appear with him in glory (Col. 3:40), and be like him. "For we shall see him as he is." (I John 3:2).

In a matter of such vital import to every Christian it is greatly to be regretted that our Lord's coming has been made the occasion of much false teaching; but this is a fact, and it is our purpose in this brief article to set forth the truth regarding this great event. The Scriptures are to be our sole authority, and to them we appeal in proof of the following propositions:

1. The fact of His coming: "When Christ, who is our life, shall appear, then shall ye also appear with him in glory." (Col. 3:4). "So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation." (Heb. 9:28) Of the fact of our Lord's coming there is no doubt.

2. The purpose of His coming is likewise clearly set forth therein: "For the Son of man shall come in the glory of his Father with his angels; and then he shall reward every man according to his works." (Matt. 16:27) "I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom." (II Tim. 4:1) But—

3. The time of this great event is hidden in the inscrutable counsel of his own will: "For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be." (Matt. 24:27) "For yourselves know perfectly that the day of the Lord so cometh as a thief in the night." (I Thes. 5:2) "But of that hour and day knoweth no man; no, not the angels of heaven, but my Father only." (Matt. 24:36) These words said Jesus himself. While we may know the fact of his coming and the purpose thereof, the time of this momentous event is hidden in the wisdom of the Father. Let us, then, beware of all who would attempt to fix a date for our Lord's return.

Our Lord is coming back to set up His kingdom, for—

1. The kingdom was in existence during the apostolic age, nineteen hundred years ago. (a) The apostle John was in it (Rev. 1:9); (b) The Hebrews were receiving it (Heb. 12:28); and (c) the Colossians were transplanted into it (Col. 1:13-14).

2. The kingdom was "at hand" in the days of John the Baptist (Matt. 3:2). Jesus announced its near approach (Matt. 10:7), and it was to come in the lifetime of some then living. (Mark 9:1) To assert, therefore, that the kingdom has not yet come is to make both John the Baptist and our Lord false prophets, as well as oblige one's self to find people yet living who were alive while our Savior was on the earth!

3. The Lord will relinquish his reign on his return: "But every man in his own order: Christ the first fruits; afterward they that are Christ's at his coming. Then cometh the end, when he shall have put down all rule and all authority, and power." (I Cor. 15:23-24) Observe: (a) the coming of Christ; (b) the end, when he delivers the kingdom to God. But note the pre-millennial order: They teach (a) the coming of Christ; (b) the establishment of his kingdom over which he reigns for a thousand years; (c) then the end. This passage teaches that when the Lord returns he will cease reigning. False teachers are today declaring that only then will he begin his reign! "Let God be true, but every man a liar." (Rom. 3:4)

The order, then, is as follows: (1) the Lord comes on the clouds; (2) the dead are raised both righteous and wicked (John 5:28-29); they stand in judgement (Matt. 25:31-46), the Lord relinquishes his reign to the Father (I Cor. 15:23-24) and the righteous enter heaven's happy home, while the wicked are consigned to their eternal doom.

Let the reader be on guard against all false theories and prepare himself by obedience to the gospel faith (Heb. 11:6), repent of his sins (Luke 13:3; Acts 17:30), confess his faith in the Christ (Rom. 10:30-31) and Christians 10:9-10), be baptized into Christ (Rom. 6:3,4), add the Christian graces (II Pet. 1:5-11) and be faithful until death (Rev. 2:10) in order that he may be unafraid when the glad day shall dawn!

Exquisite five-inch patterns of lacework—melting! . . . Oversize snowflakes like that are on record—rare beauties! More often though, Winter is nasty. Still you'll make it be decent to your aging car, by changing to Conoco Nth motor oil now—safeguarding your engine's insides with the added ingredient to assure magnet-like action. And that's how lubricant is closely bonded in place . . . OIL-PLATED to surfaces which it shields from lots of Winter wear, including dread corrosion. ¶ In fact where there's OIL-PLATING remaining surfaced the whole cold night, there's lubricant ready faster-than-instantly to fight Winter starting wear. The more wear you kill off, the more you'll retard sludging and carbonizing. Do it today; get Conoco Nth oil—patented.

## Methodist Pecans

Tuesday morning the Editor's wife came back into the machinery department of the Herald holding out "three" nice looking pecans. She said, "Here are three samples of Methodist pecans." We looked and wondered... why call them Methodist? She replied, "Because the Methodist pastor, Rev. E. L. Yeats, grew them on his pecan ranch in Fisher County, near Roby; they're paper shell."

Brother Yeats sneaked out and did not let the old Editor razz him about the "paper" shell or why they grew so large. His pecans may be "Methodist" OK, but it took a lot of water to grow them. Mere sprinkles will not make pecans. Rev. Yeats has several hobbies and pecan raising is one of them. He is trying to get Ye Editor to cut off the limbs of his "little ole" pecan tree that is now full of real "Baptist fruit" and transplant some of his Methodist buds. We "hain't" got that much faith in budding, and, therefore, will cling onto our hard, nutty limbs that bear sweet and full-filled meat. Wouldn't it be some pecan to have a Baptist tree bearing Methodist fruit?

Anyway, Brother Emmett, you are to be congratulated on proving that folks can have pecans in Fisher County almost any year late freezes do not catch the crop. But SAY, why not be generous, like Baptist pecan growers?

## Sylvester Club Meets

The First Year girls of the Home Ec Club of the Sylvester school met Thursday, Oct. 25, for a business meeting. The president called the meeting to order, and the minutes were read and approved.

Plans were made to entertain the Third Year girls soon. The Historian reported that she had not yet found any material for the Club scrapbook.

Plans were also made for the Halloween Carnival to be held in the High School Gym Thursday evening, Nov. 1. The Freshman class will sponsor four booths which will sell foods. (Patsy Josey, Reporter.)

## POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Visiting relatives here from Lamesa last Saturday and Sunday were Mr. and Mrs. W. W. Miers and son and Howard Miers.

Sgt. J. B. Jayroe is visiting wife and mother in this community, enroute to Florida after many months in Indiana.

Pete Perryman, son of Mr. and Mrs. W. R. Perryman, is home on leave from somewhere out in the great Pacific with Uncle Sam's Fleet.

Mrs. Laura Woods, who now lives in Hamlin, visited last week in the home of Mr. and Mrs. F. L. Rector.

Mr. and Mrs. Gerald Fancher visited his grandmother, Mrs. Della Fancher, last week. The last we heard of Gerald he was with the U. S. Navy.

Mr. and Mrs. F. W. Poe of Neinda visited in the home of Mr. and Mrs. S. E. Miers last Sunday.

The cotton crop in this vicinity is turning out to be a short one. Some folks who planted early are making fair cotton. Late cotton is a "fizzle."

A few months ago we stated in this column that McCaulley was in need of a cafe and the cafe-selfy laundry. Well, we got the cafe and business is good. Now we are still after that laundry which would net at least \$500.00 per month. Who wants in on the ground floor?

Pvt. Leo Parker who has been stationed in a POW Camp as an M. P. was hurt a few weeks ago in a car wreck. He was transferred to a Red Cross hospital in Rockford, Ill., for treatment. He hopes to be out of the hospital by Nov. 15 and have his honorable discharge.

Mr. and Mrs. M. T. Mason of Fort Worth are visiting his mother, sister, and brother in McCaulley. They are accompanied by their son, Owen, who has recently returned from overseas.

Pvt. Walter Forbes and Pvt. Leo Masser are in McCaulley with 15-day leaves. Masser will go from here to Ft. Riley, Kas., for overseas duty soon.

Pvt. and Mrs. Ellis Eivens are announcing the arrival of Sara Sue Monday night at the Rotan hospital. The baby weighed seven and on-fourth pounds.

Mr. and Mrs. Ed Reynolds and children of Big Spring spent last

Sunday with her parents, Mr. and Mrs. Frank Hunter.

Thanks to Melvin Hunter for a renewal to the Herald. Melvin is a busy man now-a-days, cutting and threshing that sweet cotton. Might see the ole boy for some good seed for another year.

Mr. and Mrs. Turner Beard of Clyde visited her mother, Mrs. W. M. Keller, and the Rectors last Sunday.

Home from college over the week end were Johnnie Max Jones and Mary Ann McCollum. Mary Ann was accompanied by her roommate, but we didn't get the name.

Rufus Herbst arrived from Savannah, Mo., after ten days' treatment in a hospital there. He is doing fine.

### Darden's Dashes—

The old world seems topsy-turvy. Hungry people roam Europe, China and other war-torn countries. The Allied Nations are not getting along any too well. Russia keeps sticking her chin out; never had much confi-

dence in her leaders, even though they fought a good fight. People over there don't see things the way we do. We, the United States, had better keep a huge standing Army, Navy and Air Force, and plenty of atomic bombs, and be ready at the drop of the hat. We got caught unprepared the last time and sacrificed many lives on account of some stupid leaders and isolationists. The United States can keep the peace, only, if we do not disband our armed forces and do not again get soft.

We have the best military set-up the world has ever known, the best guns, the best planes, the best soldiers; and we are going to have to keep ready or next time we may be on the losing end.

### McCAULLEY STUDENT IS INDUCTED INTO ACC CLUB

One of the outstanding honors accorded to young women on the campus of Abilene Christian College is election to membership in the W Club, founded more than a quarter of a century ago by the late Mrs. Jesse P. Sewell, then wife of the president of the college. Recently attaining that honor was Miss Velma Lu Boyd, daughter of Mr. and Mrs. L. H. Boyd, of McCaulley, according to a press release from the college. Miss Boyd is a 1942 graduate of McCaulley High School.

Miss Boyd was inducted into the club at a formal initiation in the parlors of Zellner hall on the ACC campus, at which time the significance of the W in the name of the club was explained to stand for "Worthy Women," and the ideals of the club stressing scholarship, leadership and character were set forth to the initiates as goals worthy of all young women.
